Memorial Weekend	5-30
Youth band to perform for children's ministry	6-6
Parent's night out	6-19

Volunteers Still Needed

Several people have stepped up to help out over the past several months but there is still a need for more help! Even if you are not comfortable teaching, we have positions available for you! Please contact Amy Roberts or Russ Koelzer for details.

Who exactly is working with my kid?

Each issue of the Lil Lifestreamer will feature one or two of our volunteers. Read below to find out who is featured this issue!

Cheryl Sanner

Cheryl is currently working in our Baby Depot but has worked in all areas of our children's ministry for several years. She is a Licensed Practical Nurse, graduating from Central Community College in Kearney, Nebraska. She is married to Mark Sanner who is the store manager for the Gardner Walmart. She has three children, Caitlyn (18), Matthew (16) and Creighton (6). Caitlyn and Matthew attend Gardner-Edgerton High School and Creighton attends Edgerton Elementary. "I love working with kids. I know how hard it is to leave your little ones with strangers, so I hope that having a mom in the nursery will make other moms feel comfortable leaving their little ones so they can enjoy the services."

Need a Date?

OK, parents... need a night out? We are having a parents night out Saturday, June 19th from 6:30-9:30. You can drop off your kiddos at the church office for a pizza party while you can go out on an adult date!

If you would like to help with this event, please contact Russ or Amy

Are you in High School and want to volunteer in the Children's Ministry? Sign up to be a Cadet! Please have someone introduce you to Amy Roberts to be put on the schedule!

Skate Party is still being planned for June. See Heather Koelzer for details or to help with the event.

"We will tell the next generation the praiseworthy deeds of the Lord, his power and the wonders he has done." Psalm 78.4

If you are in High School and want to help with the Children's Ministry, become a Cadet. Contact Amy or Russ!
